

Rub-X 项目技术与品牌托管合作提案

Rub-X Project – Technology and Brand Custodianship Proposal

一、项目简介 | Project Overview

Rub-X 是一个专为山地胶林环境开发的自动割胶系统项目，核心技术是一种低成本、高可靠性的线传动装置，突破了传统自动化系统在丘陵地形中对动力与控制的要求瓶颈。

Rub-X is a project focused on automating rubber tapping in mountainous regions. Its core innovation is a low-cost, cable-driven mechanical system that overcomes the power and control limitations of traditional automation in hilly terrain.

二、当前成果 | Current Achievements

- 已获得一项发明专利授权
One invention patent granted (image available)
 - “Rub-X” 商标已注册
Trademark "Rub-X" officially registered
 - 技术已被行业广泛知晓
Technology is already known across key sectors
 - 官网已上线: rub-x.org
Official website launched: rub-x.org
-

三、技术亮点 | Key Advantages

- 成本极低，适合在欠发达地区大规模部署
Ultra-low cost, ideal for mass deployment in underdeveloped regions
- 可在山地、丘陵等复杂地形作业
Works reliably in hilly and mountainous terrains

- 结构简洁, 便于复制与本地制造
Simple structure, easy to replicate and localize
 - 易与村社合作模式结合, 推动乡村经济
Compatible with community-based deployment models
-

四、开放托管合作方式 | Open to Custodianship & Partnership Models

Rub-X 项目现公开征集以下类型的合作方：

Rub-X is open to collaboration under the following flexible structures:

1. 完整技术与品牌托管(可保留署名)
Full custodianship of IP and brand (with optional attribution)
 2. 区域独家授权运营
Exclusive regional licensing and operation
 3. 品牌与技术合作, 由合作方主导市场化
Brand and tech cooperation with partner-led commercialization
 4. 技术/品牌入股合资公司
Technology and brand contribution to joint ventures
-

五、Rub-X 可提供 | What Rub-X Offers

- 核心发明专利与设计资料
Invention patent and core technical documentation
- Rub-X 商标与品牌资产
Trademark and branding assets
- 官方中英文网站与传播材料
Bilingual online and communication materials
- 可选技术顾问服务与合作试点支持
Optional advisory support for pilots or implementation

六、我们寻找的合作方 | **Seeking Partners Who:**

- 有能力推动橡胶自动化设备落地
Are capable of deploying automation in rubber plantations
- 在东南亚、非洲或中国等地拥有本地资源
Have local resources in Southeast Asia, Africa, or China
- 愿意推动实际部署并带动本地经济发展
Are interested in real-world impact and inclusive growth
- 拥有政府、产业或孵化背景者优先
Preferably with public, industry, or incubation networks

七、联系与后续 | **Contact & Next Steps**

如有意洽谈技术托管、品牌合作或运营授权，请联系 Rub-X 项目方，获取完整资料并安排初步沟通。

For interest in custodianship, licensing, or partnership, please contact the Rub-X project team for further materials and discussion.
